Hello team. I am unable to edit this invitation, but I am hoping that our meeting today only takes a ½ hour.

I would like to fill everyone in on some new dates, etc., and I wanted to check in to see where everyone is/ if anyone is having difficulties/ if anyone has any issues to raise.

Otherwise, please respond re: the workshop excel spreadsheet by the end of the week, and attached find a large document containing comments from ACC on the wood products rule (the timeline for which is also attached, and which we will eventually be asked to comment on)- just for you to keep in mind and start thinking about.
